

Our Riverwoods lecterns are crafted from the finest solid hardwoods, beautifully finished with a durable multiple-coat clear lacquer to preserve the natural wood and enhance the grain. The built-in 50-watt sound system will deliver your message with clarity & impact. A complete line of custom installed options and accessories is available to tailor the lectern and sound system to your needs. Natural Oak is our standard finish, other finishes are available; please call for pricing. **All models are available without a sound system. Please note, because our Riverwoods collection is custom built, orders are non-cancelable.**

Designed and built to meet the most demanding requirements This beautifully hand crafted Multimedia lectern will add beauty and style to any decor. Setup is a breeze. All of your equipment stays connected, secure, and ready to use on a moments notice. There is ample room for any equipment you might need for your professional presentation.

Our standard Ambassador is crafted from natural Walnut finished with clear lacquer. It includes 4 sturdy casters (2 locking) and an equipment bay with two rear (presenter's side) doors with locks & pulls, a center divider and left-side shelf.

Other available options include different woods, finishes, drawers, tops and even a motorized lift to accommodate those of different height. We can also make this design adhere to the American Disabilities Act so it can be used by anyone.

Product Specifications:

Product Weight: 426 lbs.

Product Dimensions: 46" H X 42" W X 30" D

Speakers: 4 Jensen Design 6"x8"

Amplifier Specs: Exclusive S805A AmpliVox 50 watt multimedia stereo amplifier. 25-watts per channel. All integrated circuit design.

Auxiliary input stereo jack with separate volume and tone controls for a CD player, tape player or LCD computer projector.

Line out jack for a tape recorder. You can record your presentation as it is happening.

3 mic inputs (dynamic, condenser with phantom power, WIRELESS) can be used at the same time.

Dual Wireless Capability - SW805A wireless amplifier with built-in wireless receiver allows 2 people to be wireless simultaneously using a second external wireless mic kit.

2 speaker jacks - each can drive 4 to 16 ohm speaker loads. Standby mode when jack is empty reduces power drain and prolongs battery life.

Cabinet Specs: Four built-in 6 x 8 speakers provide rich, room-filling sound

Rolls effortlessly on 4 sturdy hidden casters.

Work surface is durable, easy-to-clean black laminate.

Equipment area is separated into two bays accessed through dual doors on back (presenter's) side.

Extensive list of optional access panels, shelves, rack mounts, lighting, power outlets, and other accessories.

We will build to your custom specifications- let us quote you.

AMBASSADOR - Multimedia lectern designed and custom built to meet your requirements. Includes S805A 50-watt multimedia stereo amplifier, four built-in 6-in. x 8-in. Jensen designed oval speakers, S2030A professional cardioid dynamic handheld mic with 15-ft. cord. 46-in.H X 42-in.W X 30-in.D. Optional features available.	SS3035	425 lbs.	6,741.00
WIRELESS AMBASSADOR - As above with SW805A amplifier with built-in Wireless Receiver PLUS your Choice of Wireless Mic with Transmitter - Choose either Lapel, Headset or Handheld	SW3035	426 lbs	7,143.00
AMBASSADOR - WITHOUT SOUND	SN3035	421 lbs	5,995.00
SA3030-01 Halogen gooseneck lamp with dimmer	SA3030-01	N/A	97.00
SA3030-02 Dual incandescent lamps mounted under shelf	SA3030-02	N/A	75.00
SA3030-03 Document camera drawer - With lock, sturdy side-mounted shelf will support all standard cameras, video projectors or other presentation aids.	SA3030-03	N/A	614.00
SA3030-04 Keyboard drawer - Conveniently stores keyboard under reading surface and pulls out for easy access.	SA3030-04	N/A	351.00
SA3030-05 Recessed monitor well - Position your flat-panel LCD monitor into this recessed rectangular opening in reading surface to expose the viewable area of the screen. Provide the make & model of your display so we can size to fit.	SA3030-05	N/A	438.00
SA3030-06 Timer - Set the time allotted to speaker then press start. Small green, yellow and red lights indicate how much speaking time is left. Time can be controlled remotely.	SA3030-06	N/A	287.00
SA3030-07 Rack rails - When rack rails are installed we recommend a removable front panel on the lectern or removable rack box for cabling access.	SA3030-07	N/A	237.00
SA3030-08 Removable front panel with locks - Can be custom sized to your requirement, provides easy front access to gear mounted on rack rails.	SA3030-08	N/A	254.00
SA3030-09 Cooling fan with grill - Used to cool and protect equipment in closed compartments.	SA3030-09	N/A	218.00
SA3030-10 Split top - There are several reasons for a two level top. A slanted surface is better for reading and to mount a CRT or LCD monitor. The adjacent flat top is a better place to sit a laptop or other equipment	SA3030-10	N/A	530.00
